

The East Creech Figure-Of-Eight

Area	Distance	Difficulty	Access Restrictions ?
Wareham	3 ½ miles	Easy/Medium	No

How to get there:- Grid Reference; 922822. Turn right for Kimmeridge/Creech off the Wareham Bypass. After about 1 1/2 miles, take the left turn for East Creech, Follow the lane for about a mile then, with the phone box on your left, turn right and proceed up to hill for about ½ mile. Just before the brow of the hill, there is a gravel parking area on the right.

Walk details:-

Cross the road and walk up the lane signposted to The Ridgeway. After about 1/4 mile you will come to another gate and straight-on signs to Steeple. Turn left before the gate and follow the track down to the road (1/3 mile).

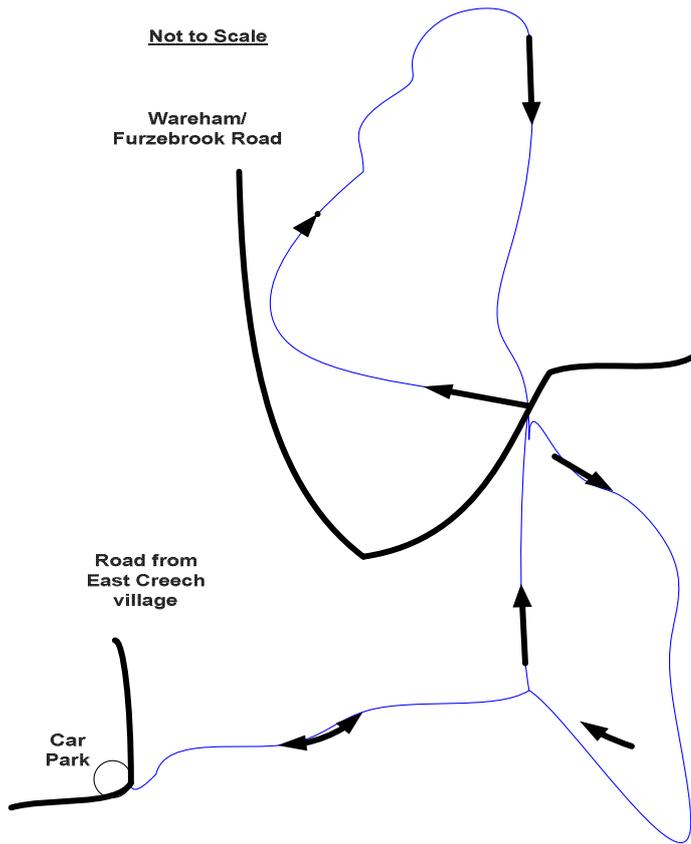

Go straight on along the road for about 50 metres and turn left through a single gate.

Follow the grassy incline down to the edge of the woods (300 metres), then follow the path up through the woods to a stile at the top.

At this point, to follow the walk you need to bear right but it is worth bearing slightly left to go to the Trig point to see the views and information.

From the stile, bear right, or from the Trig point, 90 degrees right and follow the track down to the single and field gate at the road. After about 20 metres, on the left-hand side of the road, go through the gate marked 'Steeple 1 3/4'. Go around the small reservoir site, keeping it to your right, over the stile, and follow the path down to your left

Follow the path along while it continues in the same direction (2/3 mile). At this point, on the left will be a stile (to Steeple) but turn sharp right up the hill (1/3 mile) to the gate at the top. Go through the gate and proceed straight ahead back to the car.
